

Survivors of Suicide Loss Support Groups

Have you experienced the impact of a loved one's suicide?

Our meetings provide a time to help one another grieve. These are not therapy groups. They are free support groups.

We respect each other's confidence and honor the uniqueness of each person's grief work. We share what can be helpful in this process. We offer resource materials, stories and listen to your story. Whether you lost a friend, spouse, parent, child, co-worker, sibling or anyone you care about. Please consider joining us.
