

## Zero Suicide 2021-22 Engagement Strategies

1. Establish a key coordinator and contact person for the initiative and have all information funneled through them
2. Set up and offer Grand Rounds *Introduction to Zero Suicide* at special times or Department meetings
3. Schedule Agency-wide Umatter® or other Gatekeeper trainings
4. Send a letter from the CEO to all employees: Establish an agency-wide approach - across all units, Children's, Adults OP, Crisis, etc.
5. Include a standing agenda items on Clinical and other meeting agendas
6. Include Human Resources and Quality Improvement in discussions and ask them how best to utilize their capacities
7. Set up a portal on your learning management systems for policies and procedures, etc.
8. Utilize existing Community Advisory Groups as a means of stakeholder input
